Respected madam,

Sub: Student Counselling Req.

With reference to above cited subject I Divya Raj GN, Dept of ISE, Counselor of Student Pradeep G

5th Sem. The academic performance of this student was not good. We counselled him in front of his father & HOD. We came to know that after counselling he had bad friends circle due to that he was not regular to classes & academic performance was poor. We did thorough counselling many times and made him to understand the importance of education. He assured that he will do better in next exams.

After few days of observation he was regular to classes and improved in studies. At last he took 5th Sem exam and got cleared all subjects.
