

DEPARTMENT OF MBA

Long Term Goals

1. To be globally recognized as an epitome of learning and innovation, imparting multifaceted management education driven by social sensitivity and supported by state of art infrastructure
2. Build models for projects and business plans, based on predictive analysis, operative environment and business aims
3. To inculcate quality leadership, corporate understanding and global competence
4. To inculcate entrepreneurial skills and start-up attributes for the spirit of self-reliance

Short Term Goals

1. To develop a Faculty/Industry Alliance Program (FIAP)
2. To set benchmark in achieving incremental results
3. To conduct research in emerging areas of management
4. To enhance students employability through technical training and management activities
5. To Impart Knowledge, Skills, Self-confidence and Ethical Values for being Self-reliant and Pleasantly Employable
